SPARKS POLICE DEPARTMENT
Supplemental or Continuation Report

Type of Report: Commercial Burglary

Case: 10-4906

Date of Report: 05-12-10

Officer: DUTRA #6282

Victim: Land Resource Investments

Location: 325 Harbour Cove
Suite 211

Date/Time of Supplement: 05-20-10 @ 2330 hours

Approving Supervisor: BENJAMIN **Date:** 5/22/10

Brief Synopsis of Offense:

On 05-12-10, at 1843 hours, a commercial alarm was activated at 325 Harbour Cove Drive, Suite 221. A former employee, Stephen COPPOLA, had entered the premises, setting off the alarm. There is no forced entry. COPPOLA had a set of keys to the office, due to the fact that he was a former employee. COPPOLA was informed by his business associate, Darren PROULX, that he was not allowed back on the property. COPPOLA had a signed agreement that he had leased his portion of the office through May 14th, 2010. PROULX had changed the alarm codes prior to that, stating that COPPOLA was fired. COPPOLA showed information that he resigned on Saturday, 05-08-10.

COPPOLA entered the office and removed ten files, where there was question as to who the files belonged to. PROULX and COPPOLA eventually made a civil agreement that the files would be returned.

Victim:

Land Resource Investments, 325 Harbour Cove, Suite #211.

Suspect:

COPPOLA, Stephen

Suspect(s) Statement:

COPPOLA stated that he did enter the business on 05-12-10 and set off the alarm. He stated he had his own set of keys, but he was there to remove some files, due to the fact that he is an attorney, and he needed to review the files. COPPOLA can testify to resigning on 05-08-10, but having a leased agreement that continued through 05-14-10. COPPOLA provided me with the

agreement by email. COPPOLA and his former business associate, Darren PROULX, made a verbal agreement that the files would be returned to the business. COPPOLA stated that in the files, the paperwork belonged to both him and the company, and needed to be sorted out, upon his leaving the company.

Additional Information:

None

Details of Offense:

On 05-12-10, at approximately 1843 hours, I responded to 325 Harbour Cove Drive, Suite #221, at Land Resource Investments, on a commercial alarm.

Upon my arrival, I met with Eugenio PEREZ, who stated that a former employee, who had been fired, had entered the building illegally, and stolen some files from the law practice. PEREZ stated that the former employee was Stephen COPPOLA, and that COPPOLA worked directly for the president of the company, Darren PROULX.

Officer: DUTRA #6282

Case: 10-4906

Page 3 of 3

I then contacted PROULX by phone and he stated that a former employee, Stephen COPPOLA, who was fired on 05-08-10, had entered the building illegally, and stolen some files that belonged to a law practice. PROULX stated that Stephen COPPOLA did not have permission to enter the building, and had illegally taken some files and left his personal belongings behind.

I then acquired a phone number for Stephen COPPOLA and I spoke to him by phone. He then emailed me information, stating that he had a lease on his portion of the office through 05-14-10, and that his former associate, Darren PROULX, changed the alarm codes without his knowledge or permission. ? no

Stephen COPPOLA stated that he had resigned on 05-10-10, and was not fired. He stated he had every right to be in his office and that he did take some files from his office to review, and to be separated, because he is an attorney, and that he had done work for Land Resource Investments, and work for his own, and he needed to separate the files for the business and himself. COPPOLA stated he had no intention of keeping the files that belonged to the company, but he had explained to PROULX that he was going to separate the files, and they would be returned. COPPOLA stated that he and PROULX have to make an agreement on how the files would actually be returned to the office, but would be glad to make sure that they were intact and return them. COPPOLA sent me by email, information stating that he did have a lease through 05-14-10. The copy of those files will be placed with the case for imaging. no !

I then contacted Darren PROULX, again, and asked him if COPPOLA was fired. He stated no. He did resign on 05-08-10. They did leave signs up in the office that told COPPOLA he could not come in the office. I asked PROULX if there was a lease agreement that showed COPPOLA paid through 05-14-10, he stated yes. PROULX explained there was a note on the door. I then took the note on the door and would be placing it with the case. PROULX explains that he and COPPOLA will be talking by phone, and as long as COPPOLA returns the files that belong to the company, he would have no issue with the incident.

Since PROULX and COPPOLA came to an agreement, this case has become a civil matter.

PROULX had given me a second name; a vice president of the company, Lori OHMENZETTER. I contacted OHMENZETTER and she stated COPPOLA had left the company abruptly, but did have an agreement with the company to lease out a portion of the office. COPPOLA stated he, upon surrendering his portion of the office, and since his lease agreement had expired on 05-14-10, would be returning the keys to the office, along with the files.

Disposition of Case:

Closed, No follow up.

Dear Officer Dutra:

I believe the following documents may provide information not provided by Mr. Darren K. Proulx.

Enclosed, please find:

1. Rental Agreement showing the rental of Suite 219 by my LLC, Coppola Enterprises, LLC, from Marina Commercial Enterprises, LLC. The rental agreement was signed by Mr. Proulx on March 22, 2010.
2. A "Scope and Proposal" dated April 19, 2010, showing that Suite 219 is paid for through May 14, 2010 (tomorrow).
3. A picture that you probably saw on the INSIDE of the window to Suite 219 which shows that Mr. Proulx must have gone into my private property without my permission in order to post it (Is that trespassing by Mr. Proulx?).
4. Darren K. Proulx confessing that he has taken possession of my personal property (is that theft by Mr. Proulx?).
5. The fact that I had confidential client files in that office that Mr. Proulx was threatening to take. I had an ethical obligation under the Nevada State Bar rules to secure those client files.

Please call me at 775 827-2344 if you have any questions. Please note that as of tomorrow my office address will no longer be at the above address.

Sincerely,

Ralph Stephen Coppola

Stephen,

We just got off the phone with counsel that I personally have retained on other matters. Although we have not engaged his services for the issue between you and LRI, (because I do not believe there is a need) I was able to pick his brain about the situation.

He advised to provide you with your personal items for your pick up.

As for the LRI files, they will remain in our possession.

If there are any of the files that you would need, we would be happy to review them with you and provide you with copies.

Dear Officer Dutra:

The entire contents of this letter is to be made part of your police report.

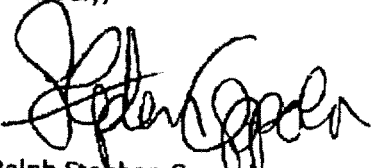

I trust you received my earlier fax. This letter is intended to supplement it. Under the Nevada State Bar Ethical Rule No. 25 I was required to resign on Saturday, May 8, 2010 and to notify affected governmental agencies.

At no time have I had an intent to deprive anyone of any property. At no time have I or were I in possession of property that I was not rightfully given possession of.

The Rule 1.16(d) of the Nevada State Bar rules of Nevada only require that I surrender files of my clients. The do not require that I deliver them, nor do they require that I submit to extortion nor blackmail.

Please call me at 775 827-2344 if you have any questions. Please note that as of tomorrow my office address will no longer be at the above address.

Sincerely,

Ralph Stephen Coppola

Dear Officer Dutra:

Please add this to your official report together with my prior two faxes.

Because Mr. Proulx is threatening me with criminal prosecution, under the ethical rules of the Nevada State Bar I have determined that I can ethically complete the picture. I was hesitant due to certain ethical constraints.

Mr. Proulx is the owner of Land Resource Investments, Inc. ("LRI"). He is also the owner of Marina Commercial Properties LLC.

I resigned from LRI for cause on Saturday. Upon my resignation I had a duty to then 'surrender papers of the client.' Papers of the client doesn't mean that the papers are "owned" by the client by the way. And surrender does not mean immediately. However, Mr. Proulx decided to take the law into his own hands so to speak and deprived me of access to my office in Suite 219 and access to my property in that office in an attempt to gain access to those files for reasons that I cannot ethically comment on.

I believe you should be looking at Mr. Proulx's intent and actions.

Please call me at 775 827-2344 if you have any questions. Please note that as of tomorrow my office address will no longer be at the above address.

Sincerely,

Ralph Stephen Coppola

Dear Officer Dutra:

Please add this to your official report together with my prior three faxes.

For some reason we were disconnected during our conversation! I tried calling back but you were unavailable.

Because Mr. Proulx is threatening me with criminal prosecution, under the ethical rules of the Nevada State Bar, Rule 1.6(b)(5), I hereby I am also disclosing the following Information in my defense:

I was and am fearful of going anywhere near Land Resource Investments, Inc. at times that Mr. Proulx might be there because Mr. Proulx:

1. Has unreasonable anger against former employees;
2. Possesses a handgun;
3. Has struck a former employee.
4. Has made threats to assault former employees.

Please call me at 775 827-2344 if you have any questions. Please note that as of tomorrow my office address will no longer be at the above address.

The 8th of May. Mr Coppola was suppose to come in
today to pickup his personal effects but then a car
scheduled for tomorrow the 13th of May

Darren has instructed me to watch the office
and not let Stephen take the 809 boxes of company
files. I was instructed to set the alarm with my
code because Stephen had not turned in his key.
Darren was afraid that Stephen would take all of
the company's legal files. So Darren put up a do not enter sign.

I have watched the office all week and set the
alarm every night

At approximately 6:30 this evening Darren called
me that the alarm was going off and he had called
the police. When I arrived I met the police and
turned the alarm off. We went and checked
Mr Coppola's office and found all of the 809 boxes
of files missing. He had however left his personal
effects. The sign is in the possession of the police.
